

Prayer Gift Request Form

A Prayer gift is our way of expressing Christ's love for those experiencing a particularly difficult time, such as the loss of a loved one, personal illness or injury, or the illness of a family member or friend.

Shawls and Blankets are made by members of the ministry group, blessed by the Pastor and prayed upon by the members of the congregation. Additionally, our ministry offers personal prayer for the individual recipient of the prayer gift. We do our best to honor requests at our monthly meeting or in a timely fashion as received.
