## **Confirmation Classes To Begin March 9 With Parents' Meeting**

Confirmation will begin on Sunday, March 9, at 2:00pm in the lounge for students, parents, and sponsors.

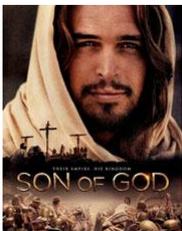

Confirmation is a six week process for teens 14 and up joining church for the first time. It is an opportunity to explore your faith, your call, and your heritage as a Presbyterian. Young people need to attend church during this process, take notes on sermons, memorize verses, and write a statement of faith. They also need to participate in the life of the church and do a mission project.

Confirmands will be presented to session at the May 6 meeting. They will be confirmed on May 18. We begin in the lounge with a parents meeting at 2:00pm on March 9. This is required as there are requirements and dates to be discussed. Mr. Bob Gillis, our high school Sunday School teacher, will conduct this class.

## **New Member Classes To Be Offered March 9, 16, & 23 At 4:00pm**

Our January membership classes could not be held due to weather and sickness, so we will try again in March. There will be three classes – one on faith development, one on history & Presbyterian heritage, and one on our church here in Absecon.

## **Addicted<sub>2</sub>Jesus (A<sub>2</sub>J) – Junior High Youth News**

With the start of Lent in March, A<sub>2</sub>J is kicking off the holy season with a trip to the Frank Theatres Towne Stadium 16 in EHT on Sunday, March 16, for a viewing of the Son of God. A parent is encouraged to attend with their youth under the age of 13 as this film is rated PG13. From the official website: *Now, the larger-than-life story of The New Testament gets a larger-than life treatment in the stand-alone feature SON OF GOD. Told with the scope and scale of an action epic, the film features powerful performances, exotic locales, dazzling visual effects and a rich orchestral score from Oscar®-winner Hans Zimmer. Portuguese actor Diogo Morgado portrays Jesus as the film spans from his humble birth through his teachings, crucifixion and ultimate resurrection. It marks the first motion picture about Jesus' life since Passion of the Christ, released ten years ago.* For more information about the film, please visit the official website <http://www.sonofgodmovie.com/home.html>. If you are interested in attending the film with A<sub>2</sub>J, Please contact Linda Gillis.

At the end of March, A<sub>2</sub>J will take another trip to the movies to see Noah. Location, date and time will be announced to youth when it is available. From the movieinsider.com *God is saddened at the wickedness of*

mankind and sends a great flood to destroy all life on Earth, but instructs Noah, a man "righteous in his generation," to build a wooden ark and save a remnant of life from the Flood. Noah builds the ark and saves his family and representatives of all animals from the massive flood waters which cover the Earth. If you are interested in attending the film with A<sub>2</sub>J please contact Linda Gillis.

Youth can be seen after service weekly participating in fun activities, bible study that is geared especially to their age, and fellowship including a parent provided lunch.

In His Service,  
Linda

### Women's Circles

Moses left Egypt because he was wanted for murder. Now, after meeting God at the burning bush, Moses obeys God's call to go back. He returns to face his past and to fight for the future of his people. Bolstered by God's reassurance, Moses returns to Egypt with his brother Aaron at his side. Together, they face Pharaoh and make a grand request. But Moses return to Egypt didn't go as planned. Plan A didn't work. A great plan and a bold request ended in disaster. In fact, it created worse conditions for the Hebrew slaves, who were forced to do more work with less material.

**Members of Sarah Circle, please note the change of date for the March meeting.** We will not meet at our regular date because of the Unity Dinner. The Sarah Circle will meet one week earlier on Wednesday, March 5<sup>th</sup> at 6:30 p.m. in Cobb Lounge. The Ruth Circle will meet at the home of Betsy Cunius at 1:00 p.m. on Friday, March 7<sup>th</sup>. The Martha Circle will meet at 10:00 a.m. Thursday, March 13<sup>th</sup> at the home of Carol Thomas. All women of the church are encouraged to join us for study and fellowship at the circle that best meets your time schedule. You will be warmly welcomed.

### **The Lord of the Rings Series Continues**

A<sub>2</sub>J and the Sunday School continue sponsoring a fellowship event exploring the christian themes in The Lord of the Rings series. Come join us as we view the 2 remaining films in the series. Bob Gillis is leading us in a discussion about the author and the christian inspirations that can be found in each of these movies. Each movie will be viewed in Madden Hall from 1 p.m. until approximately 5 p.m. for viewing and discussion as follows:

- Saturday, March 8 for *The Two Towers*
- Saturday, March 22 for *The Return of the King*

Tickets are purchased at the door prior to each show for \$2. Popcorn, snacks, and drinks will be provided. All are invited and encouraged to attend; however, it is strongly recommended that this is not appropriate for children under the age of 10. Please contact Linda Gillis if you have any questions.

Many thanks to Sam Burgess, Bud Burgess and Gia Esposito for providing Call to Worship in February.

I would like to schedule our youth who sing, play an instrument, or would like to read scripture in the coming months for Call to Worship. If you son or daughter is interested please give me a call. I will also contact those we have heard from in the past to plug them in again. We really love seeing our young people take part in the worship service.

Priscilla and I are organizing an Easter skit entitled "Into Your Hands I Commend My Spirit". This is an all male cast. Calls have been made, but if any of our young men would like to be involved please contact Priscilla or me. We will begin rehearsals in March and they will be held on Sundays mornings at 8:30.

Worship and Program Director  
Anna Mae

**Contemporary Worship Music To Debut March 9**

Our newest singing group, which has been rehearsing Sunday afternoons, will sing four selections at the 9:30 service on March 9. The choir will not sing that day, but praise music is a bit different because we will ask that you all join in at points. The words will be on the screen. We hope this will add joy, energy, and spiritual praise to our worship!

**Lenten Services To Begin With Unity Dinner March 12**

The Absecon/Galloway clergy have announced the schedule for Lenten ecumenical services which begin March 12 at 6:30 at St. Elizabeth Ann Seton Church. The church’s music group, Suite Inspiration, will provide the program. For reservations see Joan Nale. Cost is \$6.00.

There is a card explaining the history and significance of the fish symbol, and the tail is looped so you can put it on your key ring.

Please carry these Lenten mementos with you throughout the Season of Lent.

If you would prefer to place your own order (and arrange your own delivery) you are welcome to do so. Be sure to reserve your date on the chart and fill in the form with the information you would like in the bulletin.

Forms and payment (if applicable) are due in the church office no later than noon the Tuesday before your reserved date.

## Mission/Evangelism

Jennifer has moved on from the Bakely house. We have begun to assess what needs to be done in repairs to ready the house for the next guest. We had raised the annual budget for this house for the year 2014. We already know it needs some bathroom improvements, which can be costly, termite treatment and a front storm door. Any help with this is always appreciated. Karen Muldoon and Ed Little have already volunteered to work on the house.

We are collecting health kits again this year now through the end of March. The collection box with a list of contents is located in the vestibule. When completed we send these kits to Church World Services. They are then sent to areas that have been struck by disasters such as hurricane Sandy, the Philippines typhoon ect. We have done this for the last two years. Last year you supplied one hundred kits.

The Family Fun Day date has been set for August 16th, rain date August 23rd, 2014.

This month also begins One Great Hour of Sharing. The minute for mission dates are March 23rd and April 6th.

Thank you for your continued support.

God Bless,  
Russ Adkisson Jr.

### **Men's Club Sweetheart Dinner Raises \$564 For ACRM**

Many thanks to Melvin, Leo, Roger Wolcott, Dave Stebbins, Pastor Cobb, the set up crew, our Wednesday Speakers Group, and Glenn Sarkis (music) for a great event on Feb. 15. The amount in the table jars was \$100 even, and with the profit from the dinner we were able to send \$564 to the Atlantic City Rescue Mission. We are pleased that our two fundraisers have now raised over \$1,100 for Sister Jean's and the Rescue Mission.

### **News From Our Missionaries**

From Pastor Karen ~

This time of year most pastors are preparing for Lent and Easter. However, I am more interested in what happens after Easter this year. Plans are being made for the first study/travel seminar offered by the Evangelical Church of Czech Brethren (ECCB) and the Presbyterian Church (USA). Sixteen people from the US, Canada, Europe, and Scandinavia will be coming to the Czech Republic for the seminar "In the Footsteps of Jan Hus and Martin Luther" which will take place from April 28<sup>th</sup> through May 6<sup>th</sup>. Two of your very own from Absecon Presbyterian Church will be coming along; Pastor Gerry Reedell and Tina Brown.

I'm sure Pastor Gerry would back me up on this when I say that Jan Hus barely, if at all, got a mention during our Church History courses at Princeton Theological Seminary. Although he is little known in much of Church History, Jan Hus was one of the early forerunners of the Reformation more widely attributed to Martin Luther. Nearly 100 years before Luther, Hus advocated for important reforms in the church. A priest in what was then known as Bohemia, which is now the Czech Republic, he advocated for two significant changes in the Church. First, and I'm not sure if I should thank him or curse him for this, he advocated for the worship service to be conducted in the language of the people, Czech. And secondly, he advocated for the laity to receive both the bread and wine in Communion. This year we mark the 600<sup>th</sup> anniversary of the latter event here in Prague at the Church where that happened first, St. Martin's in the Wall. Next year we mark the 600<sup>th</sup> anniversary of Hus' being burnt at the stake for advocating for these, and many other, changes.

Participants in the seminar will learn about all of this and see first-hand the places where these and other important events occurred. Hopefully participation in the seminar will enable everyone to have a deeper appreciation of the important roots of the German and Swiss Reformations which are an important part of our history as Presbyterians.

I invite you to pray for me and all of us putting this seminar together. I also invite you to pray for Pastor Gerry and Tina as they prepare for their trip and as they participate in the seminar. I'm sure they'll tell you all about it when they return.

S přáním Božího požehnání,

Wishing you God's blessings,

Karen

From Lisa ~

My first day off here in Holland I visited the city of Haarlem. Yes, the Haarlem that is the name sake for the one in New York! The reason I visited is because, it is there that a normal house along one of the walking streets has a story to tell. This home is where Corrie Ten Boom and her family rescued hundreds of Jewish people during WW2. I crawled into the small hiding place the size of a closet, where 6 people hid from the Gestapo for 47 hours. Corrie's 84 year old father was arrested that day and died 10 days later in a concentration camp. Corrie and her sister Betsy were both in their 50's when they were arrested and taken to the concentration camp. Betsy died in Ravensbruck camp at the age of 59, but Corrie was released at age 53. This family sacrificed so much, even their own lives in order to save innocent people from a corrupt system.

As I left the home that is now a museum, I asked a friend what stood out to him about the Ten Boom story. His immediate reply was . . . "what a difference one family can make!" Yes, what a difference in so many lives. I then thought about how old the Ten Booms were when this all happened. We so often think that those who make a difference are young and in the prime of life! Corrie's father was 84! Corrie and her sister were considered old spinster sisters in their 50's - all the while running a non-violent, underground resistance movement! This small family stood up for what was right, received refugees into their home and sacrificed their own safety. Yes, what a difference they made. Their lives continue to inspire over 20,000 people a year who come to visit their home and hear their story.

I was challenged afresh that no group is too small and no person is too old to make a difference! God loves to call us right where we are, in whatever season of life we are in to share His love and reach out to those around us!

Thank you for continuing to invest in me as I invest into the nations. I look forward to sharing more stories from this coming month as I train staff and teach in a Discipleship Training School in Asia.

With much appreciation,  
Lisa

## Stewardship Committee Report

### **Our Journey Together Continues...2014**

We begin 2014 having enough income to pay our bills for the month. The major difference between January 2014 and January last year is a substantial decline in giving. Last year, January proved to be the highest giving month of the year. It was over \$3000 greater than January this year. The weather this year could be a factor in the decline. One month does not make a trend and we will continue monitoring the figures and report to you monthly.

## “Do You Want To Be Healed?”

“O God, Thou art my God; early will I seek Thee: my soul thirsts for Thee, my flesh longs for Thee in a dry and thirsty land, where no water is.” ~ Psalm 63:1

I was impressed to hear an Olympian medal winner tell a reporter when asked what the first thing necessary to win gold was say “You’ve got to want it more than anything else.” Watching skiers at 60 mph on the downhill or snow boarders 25’ in the air above the half pipe make me shudder. But I also realize “They want this that much!”

My wants are a lot more mundane. I want it to be spring. I want it to be warm. I want lunch to be soon. I want my family to be happy. I want to be healthy. I want to go to Bermuda this year.

Wanting is ok. In fact, life is made up of wanting. When we stop wanting, we stop living a meaningful life. Wanting gives us hope for a better tomorrow. Wanting keeps us dreaming, planning, striving, yearning, and moving toward goals.

Wanting is the spice of life and the motivator to better ourselves, our world, our relationships, our career, our spirituality. The question is “Are our wants in accord with God’s will for us?” Drug addicts want drugs and materialists want money, but that doesn’t make it good. On the other hand, knowing God expects us to be generous, helpful, prayerful, worshipful, and mission minded doesn’t necessarily make us want to do those things. And if we don’t feel motivated to do them, we don’t put much effort into them. What we want makes us who we are.

When Rev. Henk Vigeveno was here five years ago he told us that most churches don’t grow because they don’t want to. Nor do they add programs, change worship, music, etc., or do much of anything out of their comfort zone. While they say they need change, they sit in the same seat and expect the same dog & pony show week after week. Churches bore themselves into decline because they don’t have the motivation to want anything better. Some are afraid to want anything better.

On Feb. 23 our church took the U.S. Congregational Life Survey. It’s designed to tell us who we are, what we do well, and where we need to go. It can lead us, but it can’t make us want to go there. We have to do that for ourselves. Wanting for ourselves what God wants for us is a hard discipline.

My Monday Bible study recently took a new look at Jesus’ healing of the lame man by the Pool of Bethesda. The first thing Jesus asked him was “Do you want to be healed?” Even Jesus knew not much happens until we want it. This lame man had made no effort to better himself for 38 years!

How do we become a first class church, grow our Sunday School, and see our membership increase? We have to want it bad enough to invite our friends, neighbors, etc., and modernize our church enough to make it appealing to a new generation. We need to want it enough to put in a major effort. There are no easy answers. Our church will not find renewal until we want it like an Olympian wants Gold. Just as we do not find God until we seek Him with all our heart.

Let’s pray that God will increase our wanting for the advance of His Kingdom and decrease our wanting for the mundane in life.

*- Dave*
