

Join us this Sunday at 9:30 (Family Worship) or 11:00. Our guest speaker is our own Lisa Whitaker. Lisa is a “local girl” who has traveled the world as a lay trainer and missionary with YWAM – Youth With A Mission. She is also involved in local issues like human trafficking. Lisa will be speaking from [Matthew 13:10-17](#).

**Re-announcing our Youth's Final Mission for the season:  
Support for our Church's Summer Mission Trip.**

(Our youth can't come along to paint and bang nails, so we'll be doing a little fund raising and praying to show our support.)

Lions and Lambs will be joining with A2J for L&L’s last meeting of the school year for our "Footprints in the Sand" walk around Patriot Lake in Galloway after the first service on Sunday, May 6th. We'll be collecting the bottles filled with your spare change on the day of our "Footprints in the Sand" walk.

Our lesson: to learn how the Lord works through us to care for one another in our deepest times of need. Amen!

Youth group members and their families are encouraged to bring a picnic lunch along on the day of the event so that we might break bread together at the surrounding picnic tables thereafter. :)

In His service,  
JoAnn & Linda.

P.S. Please see us between services if you need a "Footprints in the Sand" coin collection bottle. Thanks for sparing the change! (Rain date: May20th)
