

Join us this Pentecost Sunday! May God open our hearts to the reality of His Holy Spirit working in us and through us. Come. Catch the wind! Pastor's sermon is titled "Gift For The Common Good" from [1 Corinthians 12:3b-13](#).

During the 9:30 service Linda Gillis will be ordained and installed as elder, and all teachers, aides, youth workers, and C.E. leaders will be recognized for their faithful service to our Sunday School and programs. Thank you!

June 15 is Father's Day, and we have a special gift for all fathers in attendance. It is also the final week of our regular schedule.

Starting June 22 there will be just one service at 10:00 a.m. We will have a hymn sing starting about ten minutes before service. Refreshments will be served outside, weather permitting. The choir will not be featured until the Sunday after Labor Day, but the summer will see lots of special music including Voices Of Praise, instrumentals, and small groups of singers from our church. See our music director, Harold Hawkes, if you would like to be included.

Next Thursday we serve at Sister Jean's at Noon and Voices Of Praise rehearsal is at 7:00. Come join us!

Starting June 22 and continuing through the summer, Mrs. Ellen Plum will be offering guitar lessons free of charge to our youth. Lessons will be scheduled before or after Worship service on Sundays and are limited to six students per lesson. Please contact Mrs. Plum (380-7784) to sign up or for more information. She is also in need of guitars for the children to use, so also contact her if you may be able to assist in that area. Thank you, Mrs. Plum, for your efforts! We look forward to future performances from these new young musicians!

**Attention all GARDENERS, APPRENTICE GARDENERS and GARDEN HELPERS**

We are starting a church-wide gardening mission project to raise produce for the Community Food Bank. The plan is to use part of the lot behind the manse and develop a garden for next year (2015). We want participation from any- and everyone as there will be all types of work: planning, digging, maybe construction, and eventually seeding, watering, weeding and picking! The initial planning meeting is June 28 at 9AM. We will gauge the level of interest and scope the project at that time. If you are interested in supporting the project but cannot make the meeting (or wish to help with execution - even next year - but not planning) please let Lee Wolff or Priscilla Schultheis know.
