Many thanks to our Fellowship and Property Committees, and all who took part in our Meet & Greet and manse open house last week. We also wish to express our appreciation to those who did so much in completing the manse renovations. Special thanks go to Vic Werner, Kirk Conover, Donna Hughes and Elaine Risley for giving so much of their time and energy to get the work completed. Truly a job well done!

Our Sister Jean volunteers will be taking a needed break in July and August. This mission project will resume in September. We will still be making sandwiches as usual, but they will need to be delivered to the kitchen the mornings of July 9 and August 13. If you can help with either of these deliveries please see John Harvey or call the office.
