

Join us at our Lord's Feast, hosted by the One who promises an ultimate continuous feast in the Kingdom of God. There is no need for concern as all are welcomed who accept the invitation to the Table. What matters is that the love, the grace and the hospitality of the host joins us together as one. This meal is provided, not because we have earned the right to eat and drink with Jesus, but simply as an act of divine love. Come and eat.

Pastor's sermon is titled "Two Dances Compared" from [Mark 6:14-29](#).
