Please Support Robert in this year's Bike MS

I'm riding in this year's Bike MS: City to Shore Ride, and would love your support in my fundraising efforts!

Multiple sclerosis (MS) is an unpredictable, often disabling disease of the central nervous system that disrupts the flow of information within the brain, and between the brain and body. Symptoms range from blurred vision, loss of balance, poor coordination, slurred speech, tremors, numbness, extreme fatigue, problems with memory and concentration, paralysis, blindness and more. MS is different for everyone, and that makes it all the more challenging to solve.

Believe it or not, pedaling a bike could be the answer to a world free of MS. Mile by mile, dollar by dollar, Bike MS provides much needed funding not only to research, but to ensuring people affected by MS can live their best lives. I just signed up for this year's ride and I'd really appreciate your support in my fundraising efforts.

Your tax-deductible contribution will help the National MS Society fund groundbreaking research and life-changing programs for people living with MS. And ultimately, end MS forever.

Thank you so much!

Robert Mellon

The training will be held at the hospice office in the Airport Commerce Center, 6550 Delilah Road, Suite 210, Egg Harbor Township.
