#### Because We Care

Breakthrough covid has hit pastors, sessions and congregations of our Presbytery now more than any other time during this pandemic. Out of our concern for the health and safety of the entire congregation, and due to the current spike in positive covid cases and the spread of the Omicron variant, we want to remind you of our current guidelines which are still in effect. We strongly encourage masks be worn by those attending church services who are either unvaccinated or immune-compromised. For anyone vaccinated/boosted, we are still observing our Covid 19 Guidelines in place since May 2021, which are wearing a mask when singing, staying seated in the open pews, and observing six feet of distance between yourself and others.

Now there are varieties of gifts, but the same Spirit; and there are varieties of services, but the same Lord; and there are varieties of activities, but it is the same God who activates all of them in everyone. To each is given the manifestation of the Spirit for the common good.

1 Corinthians 12:4-7

### Please Keep These Requests In Prayer

The prayer book is on the table in the vestibule by the side entrance to the sanctuary. Please write any requests/praise items you wish to be included in prayer during worship.

For all who are mourning the loss of loved ones, especially during this holiday season.

For God's guidance as we continue the process of calling a new pastor.

Members of our armed services.

For an end to this pandemic, protection for those most at risk.

For confidence to know that in the struggle, God is with us.

For renewed commitment to God's purpose in us all.

For us to come together in the bond of self-giving love.

For renewed energy in finding our place in God's church, as people who pray, share and volunteer.

For wisdom and discernment when facing the unknown.

For God's church to embrace the poor and marginalized, to see God's image and be God's image in this broken world.

For a revival in our faith to live boldly for God's Kingdom.

### Severe Blood Shortage

The American Red Cross is facing a national blood crisis—its worst blood shortage in over a decade.

Your donation is desperately needed.

What is causing the blood shortage crisis?

- $\cdot$  10% overall blood donation decline since March 2020.
- $\cdot$  62% drop in college and high school blood drives due to the pandemic.

(Student donors accounted for 25% of donors in 2019 and accounted for just 10% during the pandemic.)

- Ongoing blood drive cancellations due to illness, weather-related closures and staffing limitations.
- Additional factors like a surge of COVID-19 cases and an active flu season may compound the already bad situation.

The next Red Cross Blood Drive at APC will be Wednesday, Feb. 9 in Madden Hall from 2p - 7P. (sponsor code Lolla Chiro)

To schedule an appointment sign up online at <u>www.redcrossblood.org</u>,

OR call 1-800-REDCROSS (1-800-733-2767) for an appointment which fits your schedule.
