

For I know that my Redeemer lives, and that at the last he will stand upon the earth; and after my skin has been thus destroyed, then in my flesh I shall see God, whom I shall see on my side, and my eyes shall behold, and not another.

Please Keep These Requests In Prayer

**The prayer book is on the table in the vestibule by the side entrance to the sanctuary.
Please write any requests/praise items you wish to be included in prayer during worship.**

Keep in mind that Facebook comments and requests read by the minister during worship are being recorded for broadcast and can be heard by the general public worldwide. For the privacy of those you are praying for, consider using just a first name or making your prayer requests general in nature.

Earlier we had a brief article on **Alex Hall** who is on our Acute Care list. His mom (Ann's best friend) reports that he is responding well to the treatments and was so thrilled to read our Bits and Pieces article about him and learn our church members are praying for him. Yes, he still needs all our prayers.

This week Dottie McCaffrey wrote that **Julie Dougherty**, a long-time Galloway resident moved to Florida where she is being cared for by her sister. And Julie, also on the Acute Care list, is so happy to know of our prayers and still needs our continuing prayers.

Stay Healthy this Fall: Get Vaccinated

Flu season typically starts in October and ends in May. AND unfortunately, COVID-19 is still with us. Get vaccinated to protect yourself and those around you from both viruses. Symptoms of flu and COVID-19 are similar, and infection can occur at the same time. Vaccines reduce the risk of severe illness and may prevent hospitalization and death. It is recommended everyone 6 months of age and older receive an annual flu shot and stay up to date on COVID-19 vaccines. Both shots can be given at the same visit.

In addition to getting vaccinated:

- wash your hands frequently
- avoid touching your face
- cover your coughs and sneezes,
- avoid crowds and poorly ventilated spaces
- clean commonly touched surfaces
- wear a mask when recommended
- and stay home if you're sick
