Covid Protocol Information

Breakthrough covid has hit pastors, sessions and congregations of our Presbytery now more than any other time during this pandemic. Out of our concern for the health and safety of the

entire congregation, and due to the current spike in positive covid cases and the spread of the

Omicron variant, we want to remind you of our current guidelines which are still in effect.

We

strongly encourage masks be worn by those attending church services who are either unvaccinated or immune-compromised. For anyone vaccinated/boosted, we are still observing

our Covid 19 Guidelines in place since May 2021, which are wearing a mask when singing, staying seated in the open pews, and observing six feet of distance between yourself and others.

Individuals with COVID-19 symptoms, or those who have been in close contact with someone with COVID-19, should get tested to reduce the spread of the virus.

New Jerseyans can get tested by:

1. [Ordering a free at-home saliva test](#), shipped directly to your home at no cost
2. Ordering four free at-home COVID-19 tests from [COVIDtests.gov](https://www.covidtests.gov)
3. [Visiting a free public testing location](#) in your county
4. [Using the COVID-19 Test Site Finder](#) to find a test nearby

He responded, "But sir, how can I deliver Israel? My clan is the weakest in Manasseh, and I am the least in my family." The Lord said to him, "But I will be with you, and you shall strike down the Midianites, every one of them."

Please Keep These Requests In Prayer

The prayer book is on the table in the vestibule by the side entrance to the sanctuary. Please write any requests/praise items you wish to be included in prayer during worship.

Keep in mind that Facebook comments and requests read by the minister during worship are being recorded for broadcast and can be heard by the general public worldwide. For the privacy of those you are praying for, consider using just a first name or making your prayer requests general in nature.
