Lee Wolff is working on getting our community garden in shape for planting, tending and a bountiful harvest to be donated to the Community Food Bank of South Jersey. Lee could sure use a hand throughout the season. If you are willing to give some time over the summer to help with this project please see Lee!

Community Events

Catholic Charities and the VFW Auxiliary are having a housewarming party to collect donations of gently used or new working home goods for families placed in housing, such as kitchenware and small appliances for making a residence a home. This is not a collection for large furniture, though if you contact them, they may be willing to pick up large furniture. So if you have some quality duplicates, or items you don't use as much, but could be of service to a family in need, please consider dropping off your items Saturday or Sunday, 3/23-24, from 9-2 at the Absecon VFW.
